

**WILLIAM J. REA, M.D.**

**Bus: 8345 Walnut Hill Lane  
Suite 220  
Dallas, Texas 75231-4262  
214/368-4132**

**PERSONAL:** Born: Jefferson, Ohio  
February 2, 1935

**COLLEGES:** Otterbein College  
Westerville, Ohio  
Graduated with B.S. and B.A., 1958

Ohio State University College of Medicine  
Columbus, Ohio  
Graduated with M.D., 1962

**INTERNSHIP:** Parkland Memorial Hospital  
Dallas, Texas  
Rotating Internship: 1962 - 1963

**RESIDENCIES:** University of Texas Southwestern Medical School  
- General Surgery Residency 1963-1967  
Parkland Memorial Hospital  
Baylor Medical Center  
Veteran's Hospital  
Children's Medical Center  
University of Texas Southwestern Medical School  
- Cardiovascular Surgery Fellowship and Residency  
1967-1969

**LICENSURE:** License #D2294, Dallas County, Texas  
License #35-02-5922-R, Franklin County, Ohio  
License #R-3120, Poinsetc County, Arkansas  
License #036-085797, Fangamon County, Illinois

**TEACHING  
APPOINTMENTS:** First World Professorial Chair, Environmental  
Medicine, Robens Institute, University of  
Surrey, Guildford, Surrey, England, 1988 - 1995  
Adjunct Associate Professor of Environmental  
Sciences and Mathematics at the University of  
Texas, 1984 - 1985  
Chief of Surgery, Brookhaven Hospital, Dallas,  
Texas, 1980 - 1981  
Clinical Associate Professor of Thoracic Surgery,  
University of Texas Southwestern Medical School,  
1972 - 1982

**TEACHING** Assistant Professor of Thoracic Surgery,

William J. Rea, M.D.

**AAPOINTMENTS:** University of Texas Southwestern Medical  
School 1969 - 1972  
Chief of Thoracic Surgery, Veteran's Hospital  
1969 - 1972  
Guest lecturer, University of Texas at Dallas 1985 -  
1988, Adjunct Professor of Environmental Sciences  
Guest lecturer, North Texas State University, 1980,  
1982 - 1988 - Adjunct Professor of Psychology  
Adjunct Professor, Department of Occupational  
and Environmental Health, The University of  
Oklahoma, 1992 - 1993  
Regional Clinical Faculty, Kirksville College of  
Osteopathic Medicine, 1994 - 1996  
Consultant, Institut fur Umweltkrankheiten, Bad  
Emstal, Emstal, Germany  
Regional Clinical Faculty, Kirksville College of  
Osteopathic Medicine, 1995 - 1997  
Professor of Medicine, Capital University of  
Integrative Medicine, Washington, D.C., July 1,  
1997 - 2005

**PRACTICE:** Private Practice - June 1, 1973 to present  
**CERTIFICATION:** American Board of Surgery Certification  
April 1, 1968, Certificate #15416  
American Board of Thoracic Surgery  
April 4, 1970, Certificate #2137  
American Board of Environmental Medicine  
August 20, 1988, Certificate #003  
American Board Certification, Disability Analyst,  
#5513-01

**MEDICAL SOCIETY** American Medical Association  
**MEMBERSHIPS:** Texas Medical Association  
**Past/Present** Dallas County Medical Society  
American Heart Association (Golden Heart Member)  
American Lung Association  
American Society of Artificial Internal Organs  
Pan American Medical Association  
Society of Thoracic Surgeons  
Correspondence Society of Surgeons  
American Board of Surgery  
American Board of Thoracic and  
Cardiovascular Surgery

William J. Rea, M.D.

**MEDICAL SOCIETY**

**MEMBERSHIPS:**

**Past/Present**

Association for Academic Surgery  
American Academy of Environmental Medicine  
Pan American Allergy Society  
American Occupational Medical Association  
American Association for Clinical Immunology  
and Allergy  
American Institute of Medical Climatology  
Huxley Institute for Biosocial Research  
American College of Nutrition  
American College of Surgeons  
Chirurgio Society  
The New York Academy of Sciences  
The American College of Preventive Medicine  
Oklahoma College of Occupational Medicine  
(Section on Environmental Medicine)  
American Board of Forensic Examiners  
Society of Integrative Medicine  
International Society for Heart and Lung  
Transplantation

**FELLOWSHIPS:**

Fellow, American College of Surgeons  
Fellow, American Academy of Environmental  
Medicine  
Fellow, American College of Preventive  
Medicine  
Fellow, American College of Nutrition  
Fellow, Royal Society of Medicine  
(Cardiothoracic Section)  
Honorary Fellow, International Academy of  
Preventive Medicine  
Affiliate Fellow, American Academy of  
Otolaryngic Allergy  
Distinguished Fellow, American Academy of  
Cardiology

**MEMBERSHIPS/**

**OFFICES HELD:**

**Past/Present**

Director, Environmental Health Center -  
Dallas  
President, American Environmental Health  
Foundation  
Past President, Board of Directors, Member, Pan  
American Allergy Society 1988-1989  
Vice President of the Board, American  
Board of Environmental Medicine  
Chief of Surgery, Brookhaven Medical Center

William J. Rea, M.D.

**MEMBERSHIPS/  
OFFICES HELD:  
Past/Present**

Member, Science Advisory Board, The United States Environmental Protection Agency  
Member, Research Committee, American Academy of Otolaryngic Allergy  
Member, Board of Directors and Past President, American Academy of Environmental Medicine  
Member, American Association for the Advancement of Science  
Member, The Smithsonian Society  
Member, National Advisory Board, American Security Council  
Member, National Geographic Society  
Member, Technology Committee, American College of Allergists  
Member, Food Allergy Committee, American College of Allergists  
Member, Editorial Board, Clinical Ecology, Archives for Human Ecology in Health and Disease  
Member, Committee on Aspects of Cardiovascular, Endocrine & Autoimmune Diseases, American College of Allergists  
Member, Board of Advisers, CAMPRO - The Center for Accelerated Medical Progress, Inc.  
Editorial Board, Journal Bioelectricity and Electromagnetic Fields - Marino  
Member, Human Ecology Action League Director, ECHO-HAVEN  
Member, World Research Foundation  
Member, Chief Executive Officer's Club  
Editorial Advisory Board, Medical Nutrition  
National Board of Directors - Natural Food Associates  
Northwest Coalition for Alternatives to Pesticides  
Chief Patron, Ecosystem Research Foundation in Pakistan  
Member, Mycotoxin Steering Committee, World Health Organization  
Board of Scientific Directors, Brain Allergy Research  
Member, Human Ecology, Academy of Technological Science of Russian Federation

William J. Rea, M.D.

**MEMBERSHIPS/  
OFFICES HELD:  
Past/Present**

Scientific Advisory Board, Biosphere II  
Editorial Board, Journal of Environmental  
and Waste Management  
Advisory Board, Price-Pottenger Nutrition  
Foundation  
Advisory Board, Latitudes  
Editorial Board, Management of Environmental  
Quality  
Honorary Member, Nutrition For Optimal Health  
Association  
Member, Overseas Editorial Board, Journal  
of Environmental Biology  
Director, Orthomolecular Health-Medicine  
Editorial Board, Journal of Long-Term Effects  
of Medical Implants  
Advisor to Board, American Academy of  
Environmental Medicine

**SPECIAL  
AWARDS:**

The Jonathan Forman Gold Medal Award by  
the American Academy of Environmental  
Medicine - 10/31/87  
Mountain Valley Water Hall of Fame, Hot  
Springs, Arkansas 1987  
The Special Achievement Award by  
Otterbein College - 06/15/91  
The Herbert J. Rinkel Award by the  
American Academy of Environmental  
Medicine, 10/11/93  
The Distinguished Pioneers in Alternative  
Medicine Award by the Foundation for the  
Advancement of Innovative Medicine Education  
Fund - 5/1/94  
Gold Star Award by the International  
Biographical Center, December 1997  
Five Hundred Leaders of Influence, 1997  
Who's Who In the South and Southwest, 1997  
The Twentieth Century Award For Achievement, 1997  
American Board of Environmental Medicine Service  
Award 1998  
Dor W. Brown, Jr., M.D. Lectureship Award, Pan  
American Allergy Society, March 2002  
O. Spurgeon English Humanitarian Award, Temple  
University, October 2002  
Professor Emeritus of Integrative Medicine, Capital  
University of Integrative Medicine, June 2006.

William J. Rea, M.D.

4<sup>th</sup> International Congress of Bioenergetic Medicine, Orlando, Fl. February 25-27, 2000.

Pan American Allergy Society, San Antonio, TX. March 8-12, 2000.

12<sup>th</sup> International Symposium, Integrative Medicine, Lisbon, Portugal. Portugal, June 22-25, 2000.

National CPA Health Care Advisors Association, HCAA-Sponsored Health Care Track, Chicago, Illinois, July 19-21, 2000.

William J. Rea, M.D.

Anti-Aging Conference & Exposition, Chicago, Illinois, July 22-23, 2000.  
Fifty-Ninth Annual Meeting, American Academy of Otolaryngic Allergy,  
Washington, D.C., September 21-23, 2000.  
American Academy of Environmental Medicine, Hilton Head, SC,  
September 27-30, 2000.  
Seminars on Scientific Aspects of Fluoridation, San Antonio, TX,  
October 14, 2000.  
Endometriosis Association 20<sup>th</sup> Anniversary Conference, Milwaukee, WI,  
October 21, 2000.  
American College for Advancement in Medicine, Advanced Anti-Aging  
Workshop, Salt Lake City, UT, October 25-26, 2000.  
American Academy of Otolaryngic Allergy, Austin, TX, November 30 -  
December 3, 2000.  
International Symposium on Current Status of Indoor Air Pollution by  
Organic Compounds and Countermeasures for Healthy Housing, Tokyo  
Japan, January 13, 2001.  
La Sociedad Mexicana de Alergia en Otorrinolaringologia, Guadalajara,  
Mexico, February 1-3, 2001.  
Pan American Allergy Society, San Antonio, Texas, March 7-11, 2001.  
American Academy of Environmental Medicine, Colorado Springs,  
Colorado, March 29-31, 2001.  
19<sup>th</sup> International Symposium on Man & His Environment in Health &  
Disease, Dallas, Texas, June 7-10, 2001.  
American Academy of Otolaryngic Allergy, Denver, Colorado,  
September 6-8, 2001.  
Texas Conference Medical-Dental Outreach Congress, Corpus Christi,  
Texas, October 4-6, 2001.  
New England Conference on Health, Environment, and Medicine,  
Farmington, Connecticut, October 13, 2001.  
American Academy of Environmental Medicine, Colorado Springs,  
Colorado, October 18-20, 2001.  
Texans for Alternatives to Pesticides, Dallas, Texas, March 5, 2002.  
Pan American Allergy Society, San Antonio, Texas, March 14-17, 2002.  
Twentieth International Symposium On Man and His Environment in  
Health and Disease, Dallas, Texas, June 6-9, 2002.  
American Academy of Otolaryngic Allergy, San Diego, CA. September  
19-21, 2002.  
International Symposium on Indoor Air Quality and Health Hazards,  
Tokyo, Japan. January 8-11, 2003.  
La Sociedad Mexicana de Alergia en Otorrinolaringologia,  
Aguascalientes, Mexico. February 26-28, 2003.  
Pan American Allergy Society, San Antonio, Texas. March 20-23,  
2003.  
American Academy of Environmental Medicine, Plano, Texas. April 3-7,  
2003.  
Nutrition for Optimal Health Association, Inc., "Environmental  
Aspects of Health and Disease," Chicago, Illinois. May 7, 2003.  
5<sup>th</sup> Congresso Internazionale Teorico Pratico di Nutrizione

William J. Rea, M.D.

Olistica, Rome, Italy. May 23-25, 2003.  
21<sup>st</sup> International Symposium on Man and His Environment in Health and Disease, Dallas, Texas. June 19-22, 2003.  
62<sup>nd</sup> Annual Meeting, American Academy of Otolaryngic Allergy/Foundation, Orlando Grand Lakes, Florida. September 18-20, 2003.  
Chemical Injury Information Network, Fairfax, Virginia. October 5, 2003.  
American Academy of Environmental Medicine, Phoenix, Arizona. October 30 - November 2, 2003.  
La Sociedad Mexicana de Alergia en Otorrinolaringologia, Aguascalientes, Mexico. February 25-28, 2004.  
Pam American Allergy Society, San Antonio, Texas. March 11-14, 2004.  
American Academy of Environmental Medicine, Overland Park, Kansas, April 15-19, 2004.  
IDEA 2004, Miami, Florida, April 27-29, 2004.  
The American Academy of Integrative Medicine, Manhattan, NY, April 30, 2004.  
22<sup>nd</sup> Annual International Symposium on Man and His Environment in Health and Disease, Dallas, Texas, June 24-27, 2004.  
63<sup>rd</sup> Annual Meeting, American Academy of Otolaryngic Allergy, New York, NY, September 17-20, 2004  
39<sup>th</sup> Annual Meeting, American Academy of Environmental Medicine, Hilton Head Island, SC, October 28-31, 2004.  
La Sociedad Mexicana De Alergia En Otorrinolaringologia A.C., Veracruz, Mexico, March 2-5, 2005.  
Pan American Allergy Society, Grapevine, TX, March 17-20, 2005.  
American Academy of Environmental Medicine, Oakbrook, IL, April 13-18, 2005.  
Annual Raymer Family Lecture, Sir Mortimer B. Davis-Jewish General Hospital - McGill University, Montreal, Canada, April 28, 2005.  
22<sup>nd</sup> Annual International Symposium on Man and His Environment in Health and Disease, Dallas, Texas, June 24-27, 2005.  
Mountain Valley Spring Company, Hall of Fame, Charleston, SC, October 7-8, 2005.  
40<sup>th</sup> Annual Meeting, American Academy of Environmental Medicine, Tucson, AZ, October 27-30, 2005.  
Congreso Annual Internacional Sociedad Mexicana de Alergia en Otorrinolaringologia, Mazatlan, Mexico, February 15-18, 2006.  
Intestinal Health...And Beyond, Dallas, Texas, March 3-5, 2006.  
Pan American Allergy Society, Grapevine, Texas, March 9 - 12, 2006.  
13<sup>th</sup> International Symposium on Functional Medicine, Tampa, Florida, April 19-22, 2006.  
American Academy of Environmental Medicine, Kansas City, Kansas, April 27-30, 2006.  
American College for Advancement in Medicine, Dallas, Texas, May 5-6, 2006.  
Eighth Congress of Olistic Nutrition, Paestum, Italy, May 12-14, 2006.  
La Sociedad Mexicana de Alergia en Otorrinolaringologia, Saltillo, Coah. Mexico, August 31 - September 2, 2006.

William J. Rea, M.D.

Defeat Autism Now, Seattle, WA, October 6-8, 2006.

American Academy of Environmental Medicine, St. Louis, Missouri,  
February 22-24, 2007.

Pan American Allergy Society, Grapevine, Texas, March 15-18, 2007.

Defeat Autism Now, Alexandria, Virginia, April 19-23, 2007.

25<sup>th</sup> Annual International Symposium on Man and His Environment in Health  
and Disease, Dallas, Texas, June 7-10, 2007.

California Naturopathic Doctors Association, San Diego, California,  
October 20 - 21, 2007.

American Academy of Environmental Medicine, Rancho Mirage, California,  
October 31 - November 4, 2007.

### ABSTRACTS

1. Laseter, J.L., Rea, W.J., Buckley, T.P., DeLeon, B.S., Antoine, S.R.: Occurrence Of Chlorinated Phenoxy Acid Herbicides And Chlorinate Phenols In Environmentally Sensitive Patients. Presented, American Academy of Environmental Medicine. 1985.
2. Laseter, J.L., DeLeon, B.S., Antoine, S.R., Rea, W.J., Alger, C.: Analysis And Distribution Of Selected Volatile Organics In Whole Blood From Environmentally Sensitive Patients. Presented, American Academy of Environmental Medicine. 1985.
3. Jones, F.M., Butler, J.R., Lawlis, G.F., Rea, W.J.: Psychological Intervention Techniques: Part Of The Clinical Ecology Treatment Team Approach. Presented, American Academy of Environmental Medicine. 1986.
4. Sherek-O'Connor, R., Butler, J.R., Rea, W.J., Johnson, A.R.: Total Stress Load Inventory: A Validation Study. Presented, American Academy of Environmental Medicine. 1986.
5. Rea, W.J.: The Role of The Enzyme Detoxification Systems in Chemical Sensitivity.
6. Rea W.J., Ching, P.Y., Johnson, A.R., Butler, J., Laseter, J.: Organic Solvents - A Possible Etiology For Some Patient's Psychoimmunopathology.
7. Rea, W.J., Fenyves, E.J., Johnson, A.R., Smiley, R.E., and Sprague, D.E.: A Double Blind Study of Chemical Sensitivity.
8. Rea, W.J.: Environmental Effects of ENT And Upper Respiratory System.

William J. Rea, M.D.

9. Rea, W.J.: Controlled Environment for Study of Environmental Pollutants in Buildings.
10. Rea, W.J., Smiley, R.E., Sprague, D.E., Johnson, A.R., de Victoria, A.L., Tucker, W.F., and Fenyves, E.J.: Bronchial Lavage as an Adjunct to the Treatment of Acute Recurring Asthma.
11. Rea, W.J., Smiley, R.E., Sprague, D.E., Johnson, A.R., de Victoria, A.L., Tucker, W.F., and Fenyves, E.J.: Chemical Sensitivity as a Result of Overexposure in The Work Place.
12. Rea, W.J., Smiley, R.E., Sprague, D.E., Johnson, A.R., de Victoria, A.L., Tucker, W.F., and Fenyves, E.J.: Formaldehyde Sensitivity Following Exposure to Building Material.
13. Rea, W.J., Smiley, R.E., Sprague, D.E., Johnson, A.R., de Victoria, A.L., Tucker, W.F., and Fenyves, E.J.: The Pancreas as a Target Organ in The Chemically Sensitive Individual.
14. Rea, W.J., Smiley, R.E., Sprague, D.E., Johnson, A.R., Edgar, R.T., Fenyves, E.J., Greenberg, M., and Williams, M.L.: Food Injection Therapy.
15. Rea, W.J., Smiley, R.E., Sprague, D.E., Johnson, A.R., de Victoria, A.L., Tucker, W.F., and Fenyves, E.J.: Bronchial Lavage as an Adjunct to the Treatment of Acute Recurring Asthma.
16. Rea, W.J., Smiley, R.E., Sprague, D.E., Johnson, A.R., de Victoria, A.L., Tucker, W.F. and Fenyves, E.J.: Chemical Sensitivity as a Result of Overexposure in the Work Place.
17. Rea, W.J., Smiley, R.E., Sprague, D.E., Johnson, A.R., de Victoria, A.L., Tucker, W.F. and Fenyves, E.J.: Formaldehyde Sensitivity Following Exposure to Building Material.
18. Rea, W.J., M.D., F.A.C.S., F.A.C.A.: Which Environmental Substances Can Cause Illness.
19. Rea, W.J., M.D., F.A.C.S., F.A.C.A.: Immunological and Non-Immunological Mechanisms.
20. Rea, W.J., M.D., F.A.C.S., F.A.C.A.: Management of Chemical Exposures.
21. Kuehn, K.A., Johnson, A.R., Rea, W.J.: Sequential Sampling and Identification of Fungal and Pollen Genera Within the Dallas City Area: The Floral Picture?

William J. Rea, M.D.

22. Kuehn, K.A., Johnson, A.R., Rea, W.J.: Preliminary Observations on the Airborne Mycofloral Component Within the North Dallas metroplex.
23. Kuehn, K.A., Johnson, A.R., Rea, W.J.: Airborne Algae: Is It Prevalent? Is It Important?
24. Kuehn, K.A., Johnson, A.R., Rea, W.J.: Airborne Mycota Identified from Domestic Interiors Within Various Regions of Texas.

**POST GRADUATE TRAINING PROGRAMS**

- I. From the Environmental Health Center - Dallas, affiliated with:
  - A. The University of Texas at Dallas, Ervin Fenyves, Ph.D.
  - B. The North Texas State University, Joel R. Butler, Ph.D.

We have now graduated 10 individuals who received their Ph.D. from research done in collaboration with our Center.
- II. Clinical Training, M.D., D.O. - 9 months to 3 years. Programs - 10 individuals have completed.
- III. Research Fellowships from the Faculty of Medicine; Peking Union Medical School, Peking, China, 3 completed.
- IV. Each year we organize and sponsor The International Symposium on Man and His Environment in Health and Disease.
- V. We have an agreement with the Kitasato Medical School Department of Ophthalmology. Satoshi Ishikawa, M.D. is the Dean of Ophthalmology. We have trained 7 of his faculty in ophthalmology, each who have spent a year with us. We have done numerous research projects and published papers on the research.
